

# Multiplying the Wheat Yield 21 Times Per Man

"It takes thirteen minutes of human labor to produce every bushel of wheat that comes out of a good American wheat state. In Europe a bushel of wheat required four and one-half hours of labor."  
—Dearborn Independent.

Europe with its pre-war wealth of labor developed intensive hand cultivation to an extent undreamed of because unnecessary in America. In the United States labor shortage developed a type of farming which gave petroleum products a chance to lend a hand.

Increased labor-shortage in the United States has meant increased application of gasoline-power to the farms of the Middle West. Mechanical power has multiplied the wheat yield 21 times per man.

The fact that power machinery, and gasoline to run it, is going on the farms, is responsible in no small degree for the large crops produced for 1920. The great mission of the Standard Oil Company (Indiana) is to produce enough gasoline to supply the farmer with all he can use at the time and place he needs it, and at a low price.

"Domestic consumption of gasoline, far outstripping our production of crude petroleum, has forced gasoline up in price. During the first four months of 1920, gasoline consumption increased 796,030 gallons a day more than production during the same period." (Oil News, July 5, 1920.) While more crude oil is being produced in 1920 than even the most enthusiastic optimist dared predict five years ago, it is not sufficient to meet the ever increasing demand.

Every facility developed by the vast organization of the Standard Oil Company (Indiana) through years of service, is being directed to the end of supplying the farms of the Middle West with necessary petroleum products. Transportation difficulties have been anticipated by this company, so that there has been no serious shortage of petroleum products to the farmer in any of the states served by this company—the dark green tank wagon delivering even to the tractor in the field in emergencies.

Helping the farmer produce and market his crop is one of the essential services rendered by the Standard Oil Company (Indiana) to the people of the Middle West.

## OF COURSE!

Senator Harding denies there has been any threat of rebellion on the part of former bull moose adherents. "The rank and file of Roosevelt supporters are putting their full faith in our cause," he declares.

Sure they are. Why shouldn't they? Of course, it is recalled that Mr. Harding once said of Theodore Roosevelt: "The man is utterly without conscience and regard for truth, and the greatest faker of the time."

Of course, too, the former bull mooser, with Harding as their candidate, can scarcely feel as if once more they "stand at Armageddon and battle for the Lord." They are standing, rather, in the cloak room of the United States senate and battle for Boise, Penrose and the rest of the old guard who went down to such disastrous defeat in 1912.

If the bull mooseers of today should in convention assemble they wouldn't sing the same stirring songs they sang in 1912. Then it was "Onward Christian Soldiers," and "Battle Hymn of the Republic." It would be "Onward Penrose Soldiers" now. And if they insisted on the famous Battle Hymn tune they would paraphrase the words to something like this:

Mine eyes perceive the glory of the senatorial ring,  
I used to be against 'em but I see it's not the thing,  
So I'll do as they instruct me, and their praises I will sing,  
While our Boise goes marching on.

Of course the former bull mooseers have full faith in the republican cause. There is every reason why they shouldn't and no good reason why they should, so why shouldn't they?

## VALLES MINES

(Crowded out last week.)

Misses Olga and Blanche Heaton spent the latter part of the week at Plattin, visiting relatives.

J. A. Buscher and daughter, Miss Gustina, visited at the home of Wm. Benham Saturday.

Jake Buscher was a Bonne Terre visitor Saturday.

Send for testimonials, free. F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, etc.

daughter, Mary Ellen, of Flat River spent the first of the week with relatives on this route.

## CURE SICK SHEEP BY BLUESTONE TREATMENT

Sheep raisers in Butler county have hastened to profit by the treatment recommended by the University of Missouri College of Agriculture for ridding sheep of stomach worms. Will Melton had lost several sheep before the flock received the bluestone treatment. H. O. Harrowood lost eight or ten. J. D. Ruser treated his flock as soon as it showed signs of illness and prevented loss.

The bluestone treatment is fully described in Extension Circular 87, Stomach Worms in Sheep, and may be had free.

## BATES BREEDERS PREPARE TO ADVERTISE

The Bates County Breeders' Association will hold a Poland China sale this fall and a Shorthorn and Poland China sale next spring. This was decided at a recent meeting of the Association, at which time officers were elected. A breeders' directory for the county is being compiled and will be made available to those seeking good breeding stock, says the county agent in his report to the University of Missouri College of Agriculture.

## STATEMENT

Of the Ownership, Management, Circulation, Etc., Required by the Act of Congress of August 24, 1912

Of The Farmington Times Printing Company, published weekly at Farmington, Mo., for Oct. 1, 1920. State of Missouri, County of St. Francois, ss.

Before me, a notary Public, in and for the State and county aforesaid, personally appeared A. W. Bradshaw, who, having been duly sworn according to law, deposes and says that he is the Editor, Publisher and Business Manager of The Farmington Times and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 443 Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and business manager are: Publisher, editor, managing editor, business manager, A. W. Bradshaw, Farmington, Mo.

2. That the owners are: A. W. Bradshaw, J. C. Watson, E. E. Swink, L. K. Peers, T. H. Stam, all of Farmington, Mo., and R. A. Swink of Los Angeles, Calif.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of the total amount of bonds, mortgages, and other securities are: None. A. W. BRADSHAW, Notary Public.

Sworn to and subscribed before me this 8th day of October, 1920. (Seal) W. N. FLEMING, (My commission expires January 9, 1923.)

## Keep Clean

Keep clean inside, as well as outside. Do not allow food poisons to accumulate in your bowels. Headache, a sign of self-poisoning, will point to numerous other troubles which are sure to follow. Keep yourself well, as thousands of others do, by taking, when needed, a dose or two of the old, reliable, vegetable, family liver medicine,

Thedford's

## Black-Draught

Mrs. Maggie Bledsoe, Osawatomie, Kan., says: "Black-Draught cured me of constipation of 15 years standing, which nothing had been able to help. I was also a slave to stomach trouble. Everything I ate would sour on my stomach. I used two packages of Black-Draught, and Oh! the blessed relief it has given me." Black-Draught should be on your shelf. Get a package today, price 25c. One cent a dose.

## FOOLING WITH HEALTH SERIOUS

I have frequently asked druggists, "What do you push in a blood medicine?" The answer usually came, "The kind I can make the most money on." My answer has always been: "Not me." I have succeeded pretty well and I have always recommended the one that I had found by experience to be the best and the one that I would be willing to take myself or give to members of my own family. I have never offered the public a medicine that we do not use at home. This is why I can offer "Number 40 For The Blood" with a clear conscience. We have not only tried it on thousands of others, but on ourselves. We take it in all cases where a blood medicine is needed, no matter in what form it shows itself and we get splendid results in constipation, kidney, stomach and liver troubles. J. C. Mendenhall, Evansville, Ind., 40 years a druggist. Mr. Richard Dickson, furniture dealer, 157 Forest St., Spartanburg, S. C., was troubled a great deal for several years with a breaking out that resembled Erysipelas. Before we got the agency for Number 40 For The Blood, we sold him many kinds of blood remedies and compounds recommended for skin troubles. He got no permanent relief, however, until we got him started on Number 40. He took several bottles and was soon entirely relieved of the very disagreeable skin trouble, but he has not quit Number 40. He says he has found it the best liver medicine on the market, and will keep it on hand in what form it shows itself and we get splendid results in constipation, kidney, stomach and liver troubles. Todd Drug Co.
